

## HLTAID006 - Provide Advanced First Aid

### Course Objective

This unit of competency deals with the provision of advanced first aid response, life support, management of casualty(s), the incident and other first aiders, until the arrival of medical or other assistance, and provision of support to other providers.

This unit builds on HLTAID003 – Provide First Aid to include additional skills and use a range of equipment

### Course Content

You will be trained in procedure for handling emergencies in a workplace, including the use of bronchodilators, AEDs, adrenalin pens and bag valve masks. You will also learn about dealing with hazardous substances, confined spaces, infection control, legislation and various other issues pertinent to the workplace.

You will participate in both theory and practical sessions, which will be followed by a skills assessment and multiple-choice theory knowledge test. The practical skills development, scenarios and assessment will be tailored to workplace environments.

### Selection Criteria

The principles of Access & equity will be applied in the selection of students and in the delivery of the training and assessment services.

However, participants must have English-speaking skills and reading skills which will be assessed during the enrolment process. They must also have the strength and agility to manage CPR and other emergency situations.

### Pre/Co-requisites

This unit should be assessed after achievement of the following related unit of competency:  
HLTAID003 – Provide First Aid

### Assessment

All assessment will be based on the principles of competency-based training and assessment. You will participate in both theory and practical sessions, which will be followed by a skills assessment using manikins (including infant manikins), AED, OP Airways, suction, bag valve resuscitators, bronchodilator and spacers and adrenalin delivery devices.

### Additional Support

Where students require additional welfare or counseling support they will be referred to appropriate professional agencies.

### Recognition of Prior Learning

If you hold a current first aid award to equivalent standards you may be exempted from this course.

### National Recognition

DAN AP recognises relevant AQF qualifications and Statements of Attainment issued by other Registered Training Organisations (RTOs).

### Course Delivery

The nominal duration of the course is 30 hours and it may be delivered in a single block or a several shorter blocks.

The delivery and assessment methods used will be tailored to the specific training environment and the needs of the client group.

### Enrolment

To enroll, contact a DAN AP Licensed Instructor in your locality, who will provide you with details of the venue, date and fees for the course. The nominal fee is \$450 but this may vary due to enrolments, location and a variety of other factors.

### Refund Policy

Any deposit may be refunded if you fail to attend the program if: 1. You provide a medical certificate providing a reason for non-attendance; or 2. You provide an explanation, deemed reasonable by your Instructor or the DAN AP Training Manager, for the non-attendance at the program. Any approved refund will be made within 3 weeks of application.

### Complaints and Appeals

In the event of a grievance with your Instructor, please contact the DAN AP Training Manager on [training@danap.org](mailto:training@danap.org) or  
Tel: +61-3-9886 9166; Fax: +61-3-9886 9155.
